Our File No. **CLEAN CUT LAWN CARE**

TO WHOM IT MAY CONCERN:

Ref: Services & Professionalism of "Clean Cut Lawn Care"

This is an *unsolicited* Letter of Recommendation regarding CLEAN CUT LAWN CARE.

I first commenced and then continued to use its various lawn and grounds keeping services for my home and office locale, on a per-occasion basis, from the Spring throughout the Fall of 2013.

Thereafter, I seasonally contracted for Clean Cut's snow plowing service (I know, their business name *is* somewhat deceiving), which kicked-in with the first heavy snow of November 2013, when they showed-up almost immediately.

Since that time, their performance has been nothing less that stellar (even when I wouldn't expect them to come and clear a minimal amount of snow that had accumulated). They even hand-shovel my front porch approach sidewalk and steps, in addition to the laneway itself!

Spring; Summer; Fall; Winter ... all I can say is Clean Cut's dedication to job performance and customer satisfaction is beyond reproach.

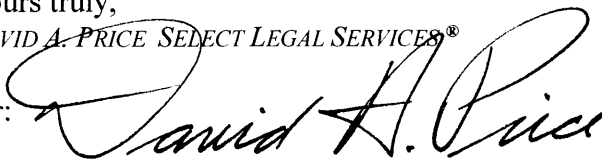

It is my intention to maintain their services in the seasons to come, and I would urge anyone else, contemplating similar needs, to consider CLEAN CUT LAWN CARE, first and foremost.

They're reachable @ 519-232-9060 / email: Clean Cut Lawn Care cclc@isp.ca. Happy results!

Yours truly,
